Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permittee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permittee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.

- **SMOKING IS ONLY ALLOWED IN DESIGNATED AREAS SPECIFIED BY THE PARK MONITOR OR FIREMAN ON SITE.**
- **IF A MONITOR OR FIREMAN IS NOT ASSIGNED, A DESIGNATED LOCATION MUST BE ESTABLISHED BY THE LOCATION MANAGER WITH CIGARETTE DISPOSAL CONTAINERS IN PLACE.**
- **THE DESIGNATED SMOKING AREA CANNOT BE NEAR ANY PATRON ACTIVITY. NO EXCEPTIONS**
- **THE DESIGNATED AREA MAY BE REVOKED OR NOT ALLOWED AT ALL DEPENDING ON WEATHER AND LOCATION CONDITIONS.**
- **FAILURE TO COMPLY WITH THESE RESTRICTIONS MAY RESULT IN A FINE.**
- **OKED CREW PARKING TO PARK IN THE LOT BETWEEN THE BASEBALL & SOCCER FIELDS.**
- **MAY NOT BLOCK OR RESTRICT ACCESS INTO MAINTENANCE YARD.**
- **MAY NOT PARK VEHICLES ON THE NORTHERN SIDE OF LOT.**
- **MAY NOT BLOCK OR RESTRICT ACCESS INTO PARKING LOT OR DUMPSTER AREA.**
- **MUST PROCEED WITH CAUTION WHILE DRIVING IN AND OUT OF THE PARKING LOT, DUE TO HEAVY PATRON ACTIVITY IN THE PARK.**
- **MUST MAINTAIN AN EMERGENCY ACCESS LANE IN THE PARKING LOTS AT ALL TIMES. NO EXCEPTIONS**
